ORDER:

In the references 1st & 2nd read above Administrative sanction was accorded for Rs.32,50,000/- & 32,50,000/- for replacement of existing two Lifts Nos.1&3 (West & East side) working in J-Block. In the reference 3rd read above, the Chief Engineer (R&B) Buildings & CRF, Errammanzil, Hyderabad has reported that tenders were invited twice for replacement of Lifts in 'J' Block but there is no response from reputed brands like KONE / OTIS / SCHINDER / JOHNSON. As the traction type of Lifts are getting outdated and presently gearless machine lifts are available in the market which consumes less power and with minimum maintenance, no firm came forward to furnish quotation within administrative sanctioned amount. For these reasons, two estimates are clubbed into single estimate for replacement of existing two lifts working in J-Block, East & West sides.

2. The Chief Engineer (R&B) Buildings & CRF, Errammanzil, Hyderabad has submitted the revised estimate for an amount of Rs.80.50 Lakhs for replacement of existing 20 passengers Lifts Nos.1 & 3 (West & East side) in J-Block under buy back by new supply and installation of two lifts of 20 passengers each Traction Elevator (Gear less with machine room) in the premises of A.P. 3. Government after careful examination, hereby cancel Orders issued in the references 1st & 2nd read above.
